Press Note.

To intensify the Food Production Drive in the State and encourage the raiyats to grow more food, Government have sanctioned for the year 1950-51 the issue of manures to agriculturists from the Department of Food Production for paddy crops, on loan up to a value not exceeding Rs. 25 per acre and to a maximum limit of Rs. 100 in each case subject to the rules regulating the grant of manure loan. It is reported that this concession of issuing manure loans to raiyats had a very good response from the raiyats last year in food production in the State. Government have thus ordered that this concession referred to shall be continued subject to the existing conditions and rules till the Grow More Food Drive continues.

All agriculturists in the State are requested to avail of this concession and intensify their efforts for growing more food.

GROW MORE FOOD DRIVE.

Progress Report for the Fortnight Ended 31st May 1951.

I. Weather Conditions.

The recent rains have been quite helpful to the standing crops of irrigated ragi and summer paddy in all places. Paddy, Ragi, Jola and Cotton are being shown in Hassan District. Paddy sowing and transplantation are in progress in parts of Chikmagalur District also. The sowing of cotton is practically completed in this District. Paddy harvest is in progress in parts of Tumkur District. Some tanks in Tumkur, Bangalore and Kolar District have also received water.

II. Schemes.

(WORKS SCHEMES).

(*a*) *Irrigation Works*—1. *Sinking of New wells.*—During the fortnight ended 30th April 1951, six wells were completed in Kolar District and a sum of Rs. 225 was paid as subsidy, while a sum of Rs. 750 was paid as subsidy during the fortnight ended 15th May 1951.

2. *Repairs to old wells.*—The Deputy Commissioners have been requested to furnish this information separately in their future reports.

(*b*) *Construction of new Major Irrigation Works.*—There are 15 such Works which are being executed rapidly.

Balance works of Kanva Reservoir and Nelligudda Tank (Bangalore Division) are almost completed benefitting an area of 3,550 acres of (new) atchkat.

Nugu left Bank Channel (Nugu Reservoir Division) excavation at the 10th mile is in progress. Concreting at the foundation is completed. An outlay of Rs. 8,349 was incurred on this work during April 1951.

The main works of Budigere Tank (Shimoga Taluk) are nearly completed. An outlay of Rs. 338 was incurred on this work during April 1951.

The second stage works in Seegehalla Anicut and Feeder Channel are in progress. The excavation of the channel and the cross drainage works are in progress. Outlay incurred on this work during April 1951 is Rs. 2,742.

A major portion of the bund works of Parasurampur Tank, Chitaldrug Division, and the excavation of the left Bank Channel are completed. Outlay incurred on this work during the F.N. ending 15th May 1951 is Rs. 231.

Earthwork to the bund of Agaradahalli Tank, Shimoga Division, in the Flood Gap portion is nearing completion and the construction of waste weir is nearing completion in the case of Ganadakatte Tank. Outlay incurred during the F.N. ending 15th May 1951 on these two works is Rs. 2,000.

Excavation of the Right and Left Bank Channels of Irkasandra Tank (Tumkur Division) is in progress. About 168 acres of new area has been supplied with water.

Turfing the rear slopes of Honnamachanahalli Tank (Tumkur Division) is completed and the contour channel is in progress. Seven hundred and twenty-five acres of land under this tank is under cultivation.

Contour channel of the Right Bank Channel from Marconahalli Reservoir (Tumkur Division) in the 5th mile and "madaboy" works are in progress.

An outlay of Rs. 636 has been incurred on Muthugadur Tank during the fortnight ended 15th May 1951.

This and Gadimakunte Tank, Sangenahalli Tank, and Thuppadahalli Tank Works are in rapid progress.

(*c*) *Repairs to old Tanks.*—These works are under rapid progress in the several divisions. Outlay incurred on these works in some of the Divisions is as follows :—

			Rs.	a.	p.
Chikmagalur Division ...	Fortnight ended 15th May 1950.		3,292	0	0
Shimoga ...	Do	do ...	5 000	0	0
Sagar ...	Do	do ...	1,778	7	0

The outlay figures of the remaining divisions are awaited.

(*d*) *Desilting of tanks.*—The desilting of Attur major tank by bulldozers in Bangalore District is in progress and 7,000 C.yds. of silt has been removed. Desilting of two tanks in Kolar Division and one Tank in Tumkur Division is being carried on with the help of Bulldozers. Four tanks in Nanjangud Division, 20 tanks in Shimoga Division and 39 tanks in Kolar Division are being desilted by manual labour.

(*e*) *Installation of Persian Wheels, Rahats, Electric Pumps, Diesel Oil Engine Pump sets.*—Thirty-five Diesel oil engine pumpsets and 17 tractors have been issued to raiyats on Hire Purchase System from February 1951, upto end of the fortnight. The progress under issue of diesel oil pumpsets on hire purchase system has been considerably retarted for want of suitable pumpsets in the market.

(*f*) *Construction and improvements of dams and channels.*—The work of Bhadra Anicut left bank channel is in progress in the first two miles with a labour strength of 900. The improvement works of Sulekere Tank and Channels are in progress. Ten River Channel Works in Hassan Division are complete except for minor items like fixing shutters, etc. One tank Channel is complete and the other two are nearing completion in this Division. One Feeder Channel benefitting an area of 459 acres is also in progress. An outlay of Rs. 1,344 has been incurred in respect of Vani Vilas Sagar and Channels in Chitaldrug Division during the F.N. ending with 15th May 1951. The Hebbahalla pick up in Mandya District is in good progress. Excavation of the Left Bank Channel from Bhadra Anicut, where heavy excavation is involved is in progress. An outlay of Rs. 400 has been incurred in respect of the Sowlanga Tank and Channels in Shimoga District. The works connected with the Kaghehalla feeder channel are completed and it is ready for service during this season for serving 22 tanks having an atchkat of 947 acres. The works of improvements to the river channel in the Visvesvaraya Canal area are also in good progress. A sum of Rs. 1,475 has been incurred for the several Tank Channel Works in Chikmagalur Division.

(*g*) *Pumping Installations on Rivers and Channels.*—The works connected with the lift irrigation at Neelasoge in T.-Narasipur Taluk and at Gollarahalli in Honnali Taluk are in progress. An outlay of Rs. 1,000 has been incurred during the F.N. in respect of the latter.

(*h*) *Other Irrigation Works.*—In Malavally Division the work at Amruthesvarahalli has been completed and a fresh area of 35 acres has been reclaimed. The work relating to Huluhalla pick up channel has been completed, and a fresh atchkat of nearly 75 acres has been provided with water under Right and Left Bank Channels. Some of the Executive Engineers have brought to the notice of this office that the progress of works in their divisions has been considerably retarded due to want of cement. It is ascertained that this is due to the transport difficulty arising from the scarcity of waggons. The General-Manager, Cement Factory, Bhadravati, has however, been requested to speed up the despatches of cement to all the divisions.

III. Supply Schemes.

1. *Distribution of Fertilisers.*—One hundred and eighty-seven and a half tons of G.N.C. and 130 tons of Ammonium Sulphate were procured during the fortnight and distributed to the several Multi-purpose Co-operative Societies for issuing the same to the needy raiyats. Two hundred and thirteen composite pits were dug during the F.N. and 164 pits were brought to service in 4 districts.

2. *Distribution of Improved Cereal Seeds.*—Twelve thousand and eighty-two pallas of paddy seeds and 40 pallas of E.S. Ragi were collected during the F.N. in Chitaldrug, Shimoga and Kolar Districts.

IV. Other Schemes.

(*a*) *New Government Lands Granted for Cultivation.*—Four hundred and seventy-seven acres and twelve guntas of new Government lands have been granted for cultivation.

The Mysore fallow land cultivation Act has been passed and action is being taken to enforce the same in order to see that the current fallow lands are brought under Food Crops.

(*b*) *Protection to crops and protective measures against Pests and Diseases*:—Twenty-three gun licenses were sanctioned during the fortnight in three Districts. 'Blast' on paddy over an area of 200 acres was observed in Sidlaghatta Taluk and prompt action was taken by the Agricultural Department to check the same.

(*c*) *Progress Under Tractor Ploughing*:—Six hundred and ninety-five—10 acres of land was ploughed by means of tractors. fifteen bulldozers have worked for 898 hours during the month of April 1951 on works connected with food production.

(*d*) *Receipt and issue of Iron and Steel*:—Thirty-three tons of Iron materials required for agricultural purposes were received and these were distributed to the several Multipurpose Co-operative Societies in the State for making them available to the raiyats. One thousand five hundred and sixty one feet of G. I. Pipes required for lift irrigation purposes were received and 781 feet were distributed to the raiyats during the F. N.

(*e*) *Issue of Cement for Agricultural Purposes*:—Nine hundred and seventy bags of cement were utilised on the several works schemes.

With a view to expedite supply of cement required for the schemes in Cauvery Circle and Nugu Rrservoir Division, Birwal, the Controller of Civil Supplies has taken up the matter with the Mysore Cement Factory at Bhadravati.

V. Progress of Local Procurement of Food Grains.

The procurement figures are as follows:—

	Procurement during the F. N.	Procurement total from 1st December 1950 to 31st May 1951.
	Pallas	Pallas
Paddy ...	33,796	16,68,963 Karthiki 5,687 Vaishaki

Press Note.

Orders of Government in certain Appeal Petitions under the Mysore Town Municipalities Act, 1933.

In an appeal by Sri H. A. Nagaraja Setty, Merchant and Municipal Councillor, Santhepet, Hassan, against the orders of the President, Town Municipal Council, Hassan, disqualifying him from membership of the Council under Section 12 (1) (B) (b) of the Mysore Town Municipalities Act, 1933, the Government, on hearing both the parties, held that the disqualification is null and void under Clause (*c*) (*v*) of the proviso to sub-section 12 (1) (*b*) under which a person is not disqualified if he has a share or interest in the occasional sale of any article in which he regularly trades to the Municipal Council, and further directed that the petitioner be not be deemed to have been removed from the membership of the Municipal Council.

2. In an appeal by Sri H. B. Jwalanaiah, B.A., Dodda Basti beedi, Hassan, against the orders of the President, Town Municipal Council, Hassan, disqualifying him from membership under Section 13 of the Mysore Town Municipalities Act, 1933, the Government held, on hearing both the parties, that the resignation of Sri H. B. Jwalaniah from the membership of Hassan Town Municipal Council became operative from 23rd March 1951 and that a vacancy has occurred in the Municipal Council, Hassan, from that date.

3. In an appeal by Sri A. Subba Rao, Advocate and Municipal Councillor, Hassan, against the order of the President, Town Municipal Council, Hassan, disqualifying him from membership of the Council under Section 12 (2) b (*i*) of the Mysore Town Municipalities Act, 1933, as he participated in the discussion and voting on the subject regarding the grant of a conservancy lane to him and Sm. Gowramma at a meeting held on the 7th March 1951, the Government held, on hearing both the parties, that the action of the President in disqualifying the appellant's membership, is not in order on the ground that, assuming that the appellant was present at the meeting throughout, it is seen that the subject was neither put to vote nor is there any evidence to show that the matter was discussed before the Council took the decision and hence that no vacancy has occurred.

Press Note.

KAGODU SATYAGRAHA—SAGAR.

The attention of the Government has been drawn to some of the statements appearing in the Press that the under-trial prisoners of the Kagodu Sathyagraha are being ill-treated and have been denied proper accommodation, good food and other amenities like medical relief, etc.

Government repudiate these allegations and desire to remove the wrong impressions created by these statements appearing in the Press. Except for the small inconvenience felt regarding the want of sufficient accommodation at the Sagar Lock up, there has been no ill-treatment of any kind and all the prisoners are being looked after as well as could be expected.

Government have also issued necessary instructions to transfer all the under-trial prisoners from Sagar to the District Lock-up at Shimoga where sufficient accommodation is available to lodge them, and where the prisoners are looked after very well indeed.

Press Note.

Progress Report of the Co-operative Department for May 1951.

Co-operative Farms.—With a view to maximize the production from the lands on co-operative lines, each of the Co-operative Farming Societies started in the State have been asked to formulate crop plans, that is, the nature of crops to be raised, the extent and the lines on which they may be raised on a planned basis suited to the peculiar soil and other conditions of the lands in consultation with the local officers of the Agricultural Department and carry out such plans according to the programme.

During the month under review, Government have been pleased to lease a further extent of 200 acres (500 acres in all) in the Rudrapura Amrit Mahal Kaval, Channagiri Taluk, to the Sevanagar Tenancy Co-operative Farming Society, Rudrapura, started for the benefit of the landless people of the Banajara Community. The land is proposed to be divided into blocks of five acres for being leased out to each family. If the number of people of the family exceed five, it is proposed to lay-out sites for putting up sheds and cottages and roads, etc., for a Village Colony. As many as 52 persons have enlisted themselves as members of the society and a share capital of Rs. 840-12-0 has already been collected.

Another event of importance regarding Co-operative Farms is that Government have ordered the surrender of a total extent of 636 acres in Attigudda Kaval in Arsikere Taluk to the Revenue Department for leasing the lands to a Co-operative Farming Society consisting of landless persons. Steps have already been taken to start a Co-operative Farm at Attigudde.

In order to enable Sri B. Narayanappa, B.E., President, Kumbhapura Co-operative Farming Society, who has practical knowledge in the field of co-operative farming to visit and supervise the work of several Co-operative Farms started in the State, Government have been pleased to accord sanction for providing him with a conveyance of the station wagon type at the prevailing price and also for the payment of an allowance of Rs. 150 per mensem for the maintenance of the vehicle and a personal allowance of Rs. 100 per mensem. The expenditure on this account is debitable to the budget head "42. Co-operation—Post-war Development Scheme—C. Subvention to Co-operative Farms" for the current year.

Co-operative Training Classes.—With a view to train the candidates from the list approved by the Public Service Commissioner and to enable them to qualify themselves for the posts of the Inspectors of Co-operative Societies and the Auditors of Co-operative Societies, the training classes were inaugurated on 14th May 1951 and will continue for a period of two months. As many as 51 candidates have availed themselves of this opportunity and are attending the training classes. The candidates are imparted knowledge both in theory and practice of co-operation, banking and book-keeping. Sri B. T. Peethambara Rao, M.A., Assistant Registrar of Co-operative Societies, Bangalore Division, is appointed as Special Officer in charge of the training classes.

Industrial Co-operative Societies.—The Mysore Provincial Handloom Weavers' Co-operative Society, Bangalore, has quickened its pace of development. There were at the end of May 1951, 1,219 members who had subscribed a share capital of Rs. 1,06,910. The total working capital aggregated Rs. 1,29,350. It transacted business in silk amounting to Rs. 1,67,983.

The Mysore Provincial Cotton Handloom Weavers' Co-operative Society, Bangalore, has already started its work and bids fair to work zealously in the interests of the cotton handloom weaving industry in the State. Its membership consists of 101 Primary Weavers' Co-operative Societies and 25 other types of Societies besides 53 individuals, all told 179 members. The paid-up share capital amounts to Rs. 18,398 and the total working capital inclusive of the cash credit of Rs. 3,50,000 from Government exceeds Rs. 5·95 lakhs. Yarn of the value of Rs. 9,50,176 was released for distribution among the members during the past two months through the Primary Weavers' Co-operative Societies started all over the State.

House-building Co-operative Societies.—The Mysore Provincial Co-operative House-building Corporation, Ltd., Bangalore, has sanctioned loans to an extent of 21,500 during the month. Its total share capital amounted to Rs. 56,236 and the working capital exceeds Rs. 0·77 lakh.

Womens' Co-operative Societies.—In order to take stock of the progress achieved so far in the organisation of Women's Co-operative Societies and to find out ways and means to develop these organisations on right lines, it is proposed to convene a Conference of the representatives of the several Ladies' Co-operative Societies in the State under the auspices of the Mysore Provincial Co-operative Institute during the third week of July 1951.

Medical Stores Supply Co-operatives.—A notable feature during the month is the publication of a pamphlet as a supplement to Gramabhyudaya and Sahakara Patrika, envisaging the lines on which Medical Stores Supply Societies may be organised in important hospitals in the Cities of Bangalore and Mysore and also in the District Headquarter towns. The Princess Krishnajammni Sanatorium Co-operative Society and the McGann Hospital Co-operative Society, Ltd., Shimoga, have done well in the bulk purchase of drugs and medicines and distribution thereof among the patients at rates within their reach. Their activities are detailed in the brochure referred to above.
